20th January 2013

Dear Dr Sayed

I am writing to invite you to participate at our 7th International Takaful Summit that will be held on the 18th-19th of February 2013 in Cairo. The theme of the summit this year is 'New Horizons' and we will be looking to discuss the future of Islamic Insurance globally amid a more challenging financial environment in the core markets of the Middle East and Asia. We will also look at the opportunities that are present in new and emerging markets.

We have received great support from the Egyptian government and the event has been approved by the Ministry of Finance. This is indicative of the willing nature to embrace Islamic finance in the country and we are trying to promote this by holding our summit in Cairo.

I am also pleased to announce that Taawuniya has won the award of Best Takaful Company in Sudan. The award will be presented at a special ceremony at the 6th International Takaful Awards that will be held on the evening of the 18th of February.

Congratulations on all your hard work.

I look forward to your favorable reply soon.

Best regards,

Mohaned Abdullah
